

Discover Cosmic Rays

# INTERNATIONAL COSMIC DAY

January 24, 2020 | h. 9.30 am  
GSSI Gran Sasso Science Institute  
Main Lecture Hall (Viale Crispi, 7 - L'Aquila)

Experimental results and student awards

Organized by:  
GSSI - Gran Sasso Science Institute (AQ)  
LNGS - Laboratori Nazionali del Gran Sasso (AQ)  
in collaboration with DSFC - Univaq

Image Credit: DESY, Science Communication Lab

Students from several high schools will present and discuss the results of the measurements of the azimuthal dependence of the cosmic ray flux at ground. Measurements were made at Laboratori Nazionali del Gran Sasso during the last ICD edition on November 6, 2019. Best presentations (posters and talks) will be selected and awarded by scientists from GSSI, LNGS and UnivAQ.
