

# Asymmetric Binaries meet Fundamental Astro-Physics

## Friday, 22 September 2023

### Astro & Data (09:30 - 12:30)

time	[id] title	presenter
09:30	[8] Oligochromatic extreme-mass ratio inspirals.	AMARO SEOANE, Pau
10:00	[9] Search, recovery or destroy a waveform template: how important are eccentricity evolution and post-adiabatic terms for asymmetric binaries?	PIOVANO, Gabriel
10:30	[10] Testing General Relativity with LISA observations	SPERI, Lorenzo
11:00	coffee break	
11:30	[11] Discussion	CHUA, Alvin
