Communicating your research to a non-expert audience. Writing and speaking tools
(by Chiara Sabelli)

Writing assignment

What: write an article describing the results of one of the studies we discussed on 14 November for a non-expert audience. Write the article as if you were the authors of the study.

Length: 700 words, max

Deadline: 15 November, by 8 pm

Send to: chiara.sabelli@gmail.com

Template and scientific papers: can be downloaded from the Indico website, [here](#)
