

10th Astroparticle Physics Science Fair 2023/2024: Gravitation and Cosmology

Thursday, 8 February 2024

Talk session: The Gravitation and Cosmology group - Ex-INPS floor -1, Via Rendina 26-28 (09:00 - 10:57)

time	[id] title	presenter
09:00	[1] The Gravitation and Cosmology Group: Gravitational Waves	Dr ARCA SEDDA, Manuel
09:10	[2] The Gravitation and Cosmology group: the transient universe in the multimessenger astronomy era	Dr OGANESYAN, Gor
09:20	[7] Gravitational Wave Experiments	Dr KOLEY, Soumen
09:36	[6] Gravitational Wave Data Analysis	Dr TISSINO, Jacopo Dr DUPLETSA, Ulyana
09:52	[5] Gravity Theory and Multi-probe Cosmology	Dr MURGIA, Riccardo
10:08	[3] Gravitational Wave Astrophysics: populations and dynamics	Dr SANTOLIVU, Filippo
10:24	[4] Multimessenger Astronomy: Kilonovae and Neutron Stars	Dr ASCENZI, Stefano
10:40	[8] Multimessenger astronomy in high-energy and very-high-energy gamma-rays	Dr BANERJEE, Biswajit
